Dear Parents and Carers

This has been a very busy term with some lovely learning from the children and some really enjoyable opportunities outside school. That said, we are all a little tired, and there has been a good deal of illness across both schools. We know the children need a well-earned rest so we wish you above all, a very peaceful half term break, and a chance to recuperate and recharge batteries. We look forward to seeing everyone back after the break, ready to embark on more adventures in the classroom and beyond!

A round up of learning this term.

There have been some really exciting learning opportunities to keep us going through the dark January days. Our Class 4 children have been following Charles Darwin's expedition on The Beagle and as part of their exploration of his theories on evolution and natural selection, they visited Eden. Beneath the tropical canopies in the Rainforest Biome, they encountered some amazing plant and insect species, whilst thinking scientifically about how certain species have adapted to change and survived.

Class 3 have considered the difference between archaeological evidence and myth in their exploration of our local heritage site – The Island of Tintagel. We are so lucky to live so closely to such an extraordinary place which is steeped in history and ancient stories. It seems only fitting that they should celebrate their learning this term with an Arthurian Banquet on Wednesday 13th February. Next term they will be visiting the site to learn about modern day engineering as the new suspension bridge is lowered into place. No matter what our personal feelings are about the change that this will bring, it will certainly be an experience they will never forget.

Our Class 2 enquiry into how there is more to Fairy Tales than meets the eye will culminate in a story telling opportunity in the Giant's Glade at Delabole. This hidden gem is one of the things which sets our school apart and there are plans to completely renovate and refurbish this area in the Spring. We are really looking forward to bringing this strange and wonderful part of our local community back to its former glory. Class 2 will be hosting an afternoon assembly for parents on Tuesday 12th February at 2:40pm.

Children in Reception and Class 1 have been taking a look at life in the Stone Age and have made a series of extraordinary discoveries of bones and fossils using their archaeological skills. These, alongside some letters from the Natural History Museum, have sparked their imaginations and inspired them to write like scientists. We are delighted to be inviting parents to their exhibitions of learning on Monday 11th February in the school hall from 2:20pm to 2:50pm.

Next term our Value is Justice and, as always, our children will be embarking on some thought-provoking adventures in learning sparked by the Enquiry Question – Who holds the power? If you would like a weekly snapshot of learning in each class, just visit the class pages on our school website for a flavour of what it means to be a learner at Tintagel School.

Some Staff Changes

As parents will be aware, Mrs Kirkman is due to leave for maternity absence just before Easter. Because this is a crucial time for Year 6 children particularly, in the run up to their SATs, we have appointed a full-time teacher to take Class 4 until Mrs Kirkman returns. Mrs Robson will join us after half term for a six week overlap period, where she will be working alongside Mrs Kirkman and Mr Doman. This is a fantastic opportunity and will ensure a really smooth transition so that the children feel well supported. For all parents of Class 4, Mrs Robson will be very much involved from the outset and is really eager to get to know you and the children. I am sure you will give her the warmest of welcomes.

Children's Mental Health and Wellbeing

As many of you will be aware, this issue is high on the agenda for schools – and rightly so. Schools everywhere are seeing increasing evidence of low emotional resilience and more complex needs in children. This is something we have been working on for some time, and in response, we have our dedicated rooms for emotional literacy and a number of programmes focusing on pastoral support, as well as our PSHE and SRE (Sex and Relationships Education) curriculum. Alongside these, PE and our commitment to healthy, active lifestyles play a critical role. Beyond that, mental wellbeing is looked upon as a fundamental pre-requisite for learning. It lies at the core of everything we do. Children cannot access learning if they are run down, stressed or emotionally fragile. We are currently involved in several strands of training and curriculum design in this aspect of school provision, particularly championed by Mrs Dingle and Ms Sanderson who are fully trained Trauma Informed Schools programme practitioners, and Ms Thorpe who is a qualified yoga teacher and has a passion for mindfulness and wellbeing. If you are worried about your child's emotional resilience and would like to know more about what we can offer by way of support, please do come and talk to us.

Don't forget that we are hosting our first **Mindfulness Through Art and Nature Workshop** at Kudhva from 2:30 till 4:00pm on Thursday 14th February. We would love to see as many parents as possible in this uniquely beautiful environment so that we can share practical activities and ideas which will really make a difference.

Parents Teachers & Friends Association

Thanks to everyone who donated to our Cake Sale today. As always it was such an enjoyable event and proceeds from this will be going towards the PTFA's latest fundraising project – a set of school bicycles so that all children will have the opportunity to use our new bike track throughout the summer months. Every little bit counts. We are now in a position to go ahead with our Trim Trail on the school field. Our aim is to complete this for the Summer Term.

World Book Day Thursday 7th March – Something a little different!

We have decided to do something slightly different this year in order to celebrate our passion for stories and create a really unique and inspirational display in each school. There will be more details to follow just after half term, but in the interim, please do save any interesting glass jars that you may have at home. It is our intention to capture the spirit of a favourite book in a jar, and to hold a competition to identify the mystery story. Each child will be given a special book voucher to spend in a book shop of their choice.

E-Safety Message

You may have seen recent reports on social media regarding risks associated with children talking to strangers when playing Fortnite. Fortnite is 12+ rated game and therefore it is advised that children of primary age should not have access to it. However, if you do allow your child to play Fortnite, it is important that you understand the risks that they face and have the information needed to help your child stay safe. Go to <https://tinyurl.com/fortniteadvice> to read the Fortnite: all you need to know guide.

A Date for Your Diaries

Parents Evenings will be held next term on Wednesday 20th March and Thursday 21st March. Details to follow nearer the time.

Best Wishes

Sue Cox and the team

Key Dates this Term

Monday 11 th February	Class 1 Exhibition 2:20-2:50pm
Tuesday 12 th February	Class 2 Celebration of Learning Assembly 2:40pm
Wednesday 13 th February	Class 3 Arthurian Banquet @ Delabole
