Mathematics

Greater
Than and
Less Than

Teach a family member about the greater than > and less than < crocodile symbols. Take turns at being the teacher (setting and marking the problems) and the student (completing the missing part).

___ > 16 12 < ___
52 ___ 43 24 ___ 31

Enquiry

Orpheus
and
Eurydice

We have just read a Year 1 friendly version of Orpheus and Eurydice. Within the story Orpheus meets Eurydice (a beautiful girl), the serpent (a snake who bites and takes Eurydice to another world) and Hades (the king of the other world). Can you sketch and label an illustration of one of these characters?

Handwriting

Joining

Can you practise your handwriting joins at home? Which joins lead from the bottom, which connect along the top and which loop underneath?

English

Writing a
Myth

Can you write your own version of 'Orpheus and Eurydice'? Think about the key events you would need to include within the story.

Physical Education

Partner
Balances

Have fun exploring some partner balances at home. Can you support each other and hold your balance? You might like to take photographs or draw yourselves in the positions of your balances.

Due Date: Monday 5th November
