

## Spellings

The new spelling lists are in your child's homework book, appropriate to their phonics level. As last term, all the spellings for this term have been given together so be careful to learn the correct week. Black are for us all to learn, green are challenge words to move onto if you are ready. We will be continuing to do a "quick write" time every Friday to see which words we can remember to spell correctly from our learning at home and at school.

Practise using "Look, say, cover, write, check" to do this.

## English

**Dream diary:** What are your hopes, dreams and visions for the future? Create a piece of writing / poster / diary entry to record your thoughts.

**Word collection:** Create a collection of words and phrases linked to creativity and present them in a creative way.

## Maths

**My Maths** - New tasks have been set for you. Log on and have a go. Remember that you can access the online lesson if you need help.

### Maths Fluency

Attached is some calculation fluency practice to revise what we have learnt so far this year. Please try to complete these independently. Make sure that you record your work neatly.

## Enquiry Homework

**DT and Science** - Find out who invented the everyday objects that you find in your house. Create a time line for when they were invented. Which was invented first? Which is the most recent invention? You may be surprised by the answer!

Learning Log Class 2

Set: 16.04.18

Due in: 27.04.18

**What dreams and visions have shaped our world? - Creativity**

You will have two weeks to complete the home learning tasks. Please let me know if you need any support or resources to be able to complete the tasks. **Keep up the fabulous reading at home. We are really impressed with all the children who are working so hard on their reading each week. We have started our "3 reads raffle". Every child who has read 3 or more times each week receives a raffle ticket at the end of the week to go in the draw.**
