

Home Learning Challenges

Spring 1

Year 1

Mathematics

Ping Pong

Teach your family how to play Ping Pong with number bonds to 10 and possibly 20 or 100 if you have explored these in class.

Enquiry

Recount

Can you tell me about your favourite part of our 'Big Dig'?

PSHE

Friendship

Can you tell me what does it mean to be a good friend?

English

Secrets of the Earth

If you were a woolly mammoth or a sabre-tooth tiger, what would you want to tell people about your life? What secrets do you hold? What should we know?

Physical Education

Aiming and Targets

Can you make a throwing/catching or skittles game at home to build on your accuracy? If you can record your scores and points in 2s, 5s or 10s to practise your Maths skills, that would be super!

Due Date: 4th February 2019
