

# Home Learning Challenges

Summer 2

Year 1

## Mathematics

### Counting Backwards

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

This week in Maths counting backwards from any given number on the 100 square has proved quite tricky for some children. Please could you practise this at home.

If you are successful can you count backwards from any given number in 10s, 2s or even 5s?

## Enquiry

### Wisdom

Can you tell me how you have become more 'wise' since starting Year 1? You could tell me about what you know and understand now that you didn't before.

## Art and Design

### Prospero's Potions

Can you create a potion that Prospero could put into his book of spells?

## English

### The Tempest

Can you create a written 'word shower' to describe a character from The Tempest? A word shower is a list/range of words.

You could describe: Prospero, Miranda, Ariel, Caliban, Antonio or Ferdinand (the Prince).

## Physical Education

### Sport's Day Dance

Can you practise Charlie's move in our Sports Day Dance making sure your leg is fully extended to a pointing toe?

Due Date: Friday 28<sup>th</sup> June 2019
