-Recycling

-Growth and change

-Life Cycles

-Our local area

#### Mathematics

*Can I confidently and independently problem solve?*

-Addition

-Doubling

-Subtraction

-Halving

-Shape

#### Notices

- Even though the weather is starting to warm up it is still very changeable. Please ensure your child has a coat, jumper and wellies. Later in the term you may need to put sunscreen on them and bring a hat.
- There will be a new home learning grid for this enquiry, look out for it in your child's book bag. You will have until half term to complete some of these challenges. It has been a fantastic opportunity for children to proudly share their work with each other whilst consolidating school learning. Please continue to add this to Tapestry to build up your child's evidence in their learning journal ready for the end of the year.
