

## Areas to investigate

### KS2 progress trend

- Reading progress was in the top 20% for at least two years for middle prior attainers.
- Mathematics progress was in the top 20% for at least two years for middle prior attainers, high prior attainers.

### KS2 progress in 2017

- Progress in reading and mathematics was significantly\* above average and in the highest 10%.

### KS2 progress outliers in 2017

- In 2017, there was one positive outlier in reading. This had an impact of +1.7 on the average progress score. In 2017, there was one positive outlier in mathematics. This had an impact of +0.8 on the average progress score.

### KS1 attainment

- In 2017, attainment in reading and mathematics was below average and in the lowest 10%.

### Phonics in 2017

- Fewer than 70% of pupils met the expected standard in phonics in year 1.

#### \*statistical significance based on a 95% confidence interval

The areas to investigate indicate meaningful trends and issues from the data. These are based upon cohorts of more than ten pupils. Progress trend sentences are based on at least six pupils in each year. Progress and attainment figures based upon ten or fewer pupils will be displayed in grey throughout the report.

### 2016

	School	Floor	Coasting
Expected+ RWM %	70	(65)	(85)
Reading progress	2.2	(-5)	(-2.5)
Writing progress	-0.9	(-7)	(-3.5)
Maths progress	2.0	(-5)	(-2.5)

### Below floor standards in 2016?

No

To be above the floor, the school needs to meet either the attainment or all of the progress element.

### School coasting in 2016?

No

The 'coasting' definition covers school performance over 3 years. A school is identified as coasting if:

- in 2014 and 2015, fewer than 85% of pupils achieved level 4 in reading, writing and mathematics and below the median percentage of pupils made expected progress in all of reading, writing and mathematics, and
- in 2016, fewer than 85% of children achieved the new expected standard and average progress made by pupils in reading or writing or mathematics was below the level set against the new primary progress measures (shown in pink above).

### Coasting element

2014 2015 2016

For coasting element definitions see <https://www.gov.uk/government/publications/school-and-college-performance-tables-statements-of-intent>
