

Home Learning Challenges

Spring 2

Year 1

Mathematics

Measuring

Can you find and measure 10 natural items and order them from shortest to longest? A challenge would be finding the difference in centimetres between the shortest and longest.

Enquiry

Justice

Who holds the power?

Can you tell me about who holds the power in learning? Who can make your brain grow? Is it me? Is it you? Is it Mrs Cox? Is it your family? Can you explain and justify your thinking?

PSHE

Growth Mindset

When you were a baby what were you born being able to do?
How has this changed?

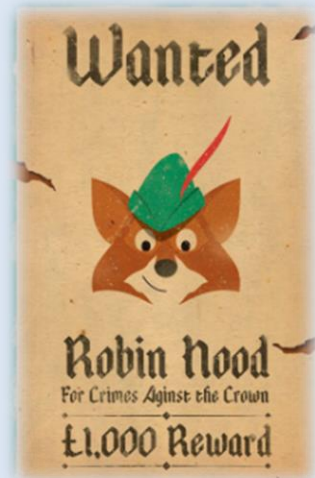

English

Robin Hood

Can you make your own 'WANTED' poster for the Merry Men?

Think about your choice of language. Use expressive adjectives. Some of you have even looked at using alliteration!

Physical Education

Rolling

Can you practise some of the different rolls? (Pencil roll, egg roll, rock and roll and teddy bear roll.)

Due Date: 25th March 2019
