

# Home Learning Challenges

Spring 1

Year 1

## Mathematics

# 50

Numbers to  
50

Think of a number from 20 to 50.  
How many different ways can you show me  
this amount? Can you use multiplication?

## Enquiry

Research

Can you find 3 places in Britain where  
stones were used by people as special  
places long ago?

## PSHE

Friendship

Tell me about one of your special friends.  
What makes them such a special friend to  
you?

## English

Stories  
Through  
Time.

Write a letter to someone in the future  
telling them about how we live today.  
What are the things you like to do? What  
tools do we use? What do we eat/wear?  
What are our homes like?

## Physical Education

Swimming

Please practise drying and changing unaided  
over the half term ready for when we go  
swimming. If you can, visit a pool and  
practise some of your skills in the water.

Due Date: 25<sup>th</sup> February 2019
