Nursery (Saplings) Long Term Plan - Curriculum Overview

Our curriculum is driven by the children's interests and next steps in learning, so our long term planning is flexible and changes throughout the term in our MTP and Weekly Plans.

<table>
<tr><td>Physical Development</td><td colspan="6">Weekly activities that help children to:
Continue to develop their movement, balancing, riding and ball skills, go up steps and apparatus using alternate feet, skip, hop, stand on one leg and hold a pose and use large muscle movements and starting to take part in some group activities which they make up for themselves or in teams – daily access to nursery outside area and its equipment.

Increasingly be able to use and remember sequences and patterns of movement which are related to music and rhythm

According to individual needs support children with becoming independent with their own self-care needs.

Support children with making healthy choices about food and drink during our daily snack times.

Daily Toothbrushing</td></tr>
<tr><td>Communication & Language</td><td colspan="6">Daily activities that help children to:
Enjoy listening to longer stories and can remember much of what happens – Daily story time in addition to sharing books throughout the session.
Pay attention to more than one thing at a time
Use a wider range of vocabulary, understand a question or instruction that has 2 parts
Understand why questions.

Sing a large repertoire of songs – daily singing session
Know many rhymes- daily rhyme sessions (Core rhymes)
To talk about familiar books and tell a long story (Core books)
Develop their communication, use longer sentences (4–6 words) WellComm screening and activities
Be able to express a point of view and debate using words as well as actions
Start and continue conversations
Use talk to organise themselves and their play</td></tr>
<tr><td>Personal, Social and Emotional Development</td><td>Settling into nursery and becoming confident members of our nursery community

Building positive relationships and learning to work together with others

Developing independence through daily routines, activities and responsibilities

Understanding rules, expectations and the importance of respecting others and our environment</td><td>Building friendships and developing confidence in expressing feelings

Learning about ourselves, our families, and the communities around us

Working and playing cooperatively with others to share ideas and explore the wider world</td><td>Building friendships and learning to work and play positively with others

Developing kindness, respect and an understanding of others' feelings and needs

Growing in confidence while celebrating our own cultures and learning about the backgrounds and experiences of others</td><td>Developing care and respect for others, living things, and the environment

Understanding feelings, behaviours, and how our actions affect others

Growing in independence by remembering and following nursery rules and expectations</td><td>Working collaboratively with others to share ideas and organise activities

Developing confidence in recognising and talking about strengths, interests and aspirations

Finding positive ways to resolve conflicts, solve problems and build successful relationships with others</td><td>Building positive relationships with new teachers and preparing for a successful transition to Reception

Developing confidence to express needs, opinions and ideas in an appropriate and respectful way

Working with others to solve conflicts, build friendships and manage challenges independently</td></tr>
