

## Learning Project WEEK 4 - Animals

### Class 3

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> <li>Working on <a href="#">Times Table Rockstars</a> - your child will have an individual login to access this.</li> <li>Play on <a href="#">Hit the Button</a> - focus on number bonds, halves, doubles and times tables.</li> <li>Daily <a href="#">arithmetic</a> session – focussing on digits values, partitioning and ordering – levels 3 and / or 4</li> <li>Continue to develop your <a href="#">reasoning and problem-solving skills</a> by practising these puzzles. There are lots to choose from and some are more challenging than others!</li> <li>Get a piece of paper and ask your child to show everything that they have learned in their online Maths lesson from White Rose. This could be pictures, diagrams, explanations, methods etc.</li> </ul> <p><u>Daily Maths Lesson</u> The above site also has daily Maths lessons which can be accessed online.</p>	<ul style="list-style-type: none"> <li>You could share a story together. This could be a chapter book where you read and discuss a chapter a day.</li> <li>Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation.</li> <li>Watch <a href="#">Newsround</a> and discuss what is happening in the wider world.</li> <li>Get your child to read a book on <a href="#">Oxford Owl</a>, discuss what your child enjoyed about the book.</li> <li>Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word?</li> <li>With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers</li> </ul>
Weekly Spelling Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> <li>Practise these <a href="#">Common Exception</a> words.</li> <li>Practise your spelling on <a href="#">Spelling Frame</a></li> <li>Choose 5 Common Exception words. Write a synonym, antonyms, the meaning and an example of how to use the word in a sentence. Can the word be modified?</li> <li>Choose 5 Common Exception words and practise spelling them using telephone words. Use a mobile phone keypad to find which number each letter is on, e.g. spelling = 77355464.</li> </ul> 	<ul style="list-style-type: none"> <li>Write an email to a family member telling them all about how their week has been.</li> <li>Design an information leaflet about an animal of their choice. Remember to use headings and subheadings.</li> <li>Write a description of a fictional <a href="#">animal that has just been discovered</a>. Think about what it looks like, where it lives and what it eats. Draw a picture to show what this new creature is like.</li> <li>Write a set of instructions for how to look after a pet. Remember to include what you need and what you do.</li> <li>Write a <a href="#">haiku poem</a> about a bird of prey using information gathered. <i>(Think carefully about a haiku's structure, remembering the number of syllables required in each line)</i></li> <li>Take part in a writing <a href="#">master class</a>.</li> </ul>

The project this week aims to provide opportunities for your child to learn more about key animals they are interested in. Learning may focus on exploring the physical aspects of an animal, their habitat, categorising animals etc.

- **Let's Wonder:**

Create fact files about [deadly predators](#). Draw pictures of the predators and label them with information they find out. Where does the predator live? Why does it live there? What does it eat? How does it capture its prey? What special qualities do these predators have? Make a [food chain](#) to demonstrate why a predator is at the top of the chain. They could make a set of [top trump cards](#) using the information they found out.

- **Let's Create:**

Explore the artist [Franz Marc](#). Find out who he was and what type of artist he was. What did he like to create pictures? Look at some of his paintings online. Then choose an animal to draw and add colour to, in a similar style to his. What do they think of his paintings? Did they like their finished piece of artwork? Why? /Why not?

- **Be Active:**

**Joe Wicks-9.00 daily**

Get out into the garden and make a [bug hotel](#). Go on a mini beast hunt and record what they find. If they find any minibeasts they haven't seen before they could always look it up online. What can they find out about these amazing creatures? **(remember to show respect to the creatures you find, they are alive)**

***Recommendation at least 2 hours of exercise a week.***

- **Practise our French Vocabulary:**

Can you count to 20 in French? Can you count in tens to 100? Say the numbers out loud as you write them out in digits and in French. Use these songs to help you:

[Le chiffres et les nombres by Alain le lait \(1-20\)](#)

[French Numbers Rap Song \(1-10, then 10-20, then 10s to 100\)](#)

Play a game of Morpion (noughts and crosses) to help you to practise your pronunciation. Draw a Os and Xs grid with a different number in each square. To win the square you must say the correct number name.

Remember you can check your vocabulary using a [French-English Dictionary](#)

- **Time to Talk:**

Find out which animals are their family members' favourites and why. Have a family debate about whether zoos should exist? Discuss whether they agree/disagree and why? Do their family members have a different opinion to them? Why not debate whether animals should be kept as pets?

- **Understanding Others and Appreciating Differences:**

Which animals are considered to be sacred around the world and why?

[Sacred Animals](#)

Who admires cows? Lions? Wolves? [Which animals were important to the Egyptians and why?](#)

### Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.
